Fellowship

## About Us

At Morgan Franklin Fellowship, we believe learning how to talk about money and understanding how money works in the real world are the first steps towards recognizing an individual's financial goals. We believe everyone should have the opportunity to become financially independent.

We teach people how to save, invest and grow their money, while providing them with real-world opportunities to develop their business confidence. **One person at a time.**

## Our Program Overview

Our Standards of Financial Literacy program is engaging, full of interesting information, and easy to navigate. With six short financial capability lessons, this online program lays the foundation for becoming an MFF Fellow. Becoming an MFF Fellow is the ticket to then access additional MFF programs and opportunities for mentoring, networking, internships and real-world opportunities.
